

**SUPERIA**  
TIRES

**Tyre catalogue**

Your journey begins here

Feel the difference and enjoy an exceptionally pleasant drive on the Superia high quality tyres. Modern and state-of-the-art tyres ensure top class results when it comes to safety, comfort and overall performance. As a result of extensive research and development Superia tyres meet the current demands of drivers and vehicles in the international tyre market.

- Top class results in safety, comfort and overall performance
- (partially) produced by ZC Rubber (Goodride tyres), the No 1 Chinese manufacturer
- Available in summer and winter
- Extended range in all season tyres for a year-round solution

Superia tyres are designed and manufactured according to European and international standards and are in compliance with all European regulations.

Discover the extended range of Superia tyres here.
